

Fish Community Abundance, Taxa Richness, and Percent Dominant Taxa
Phase I System Characterization
Ecological Study

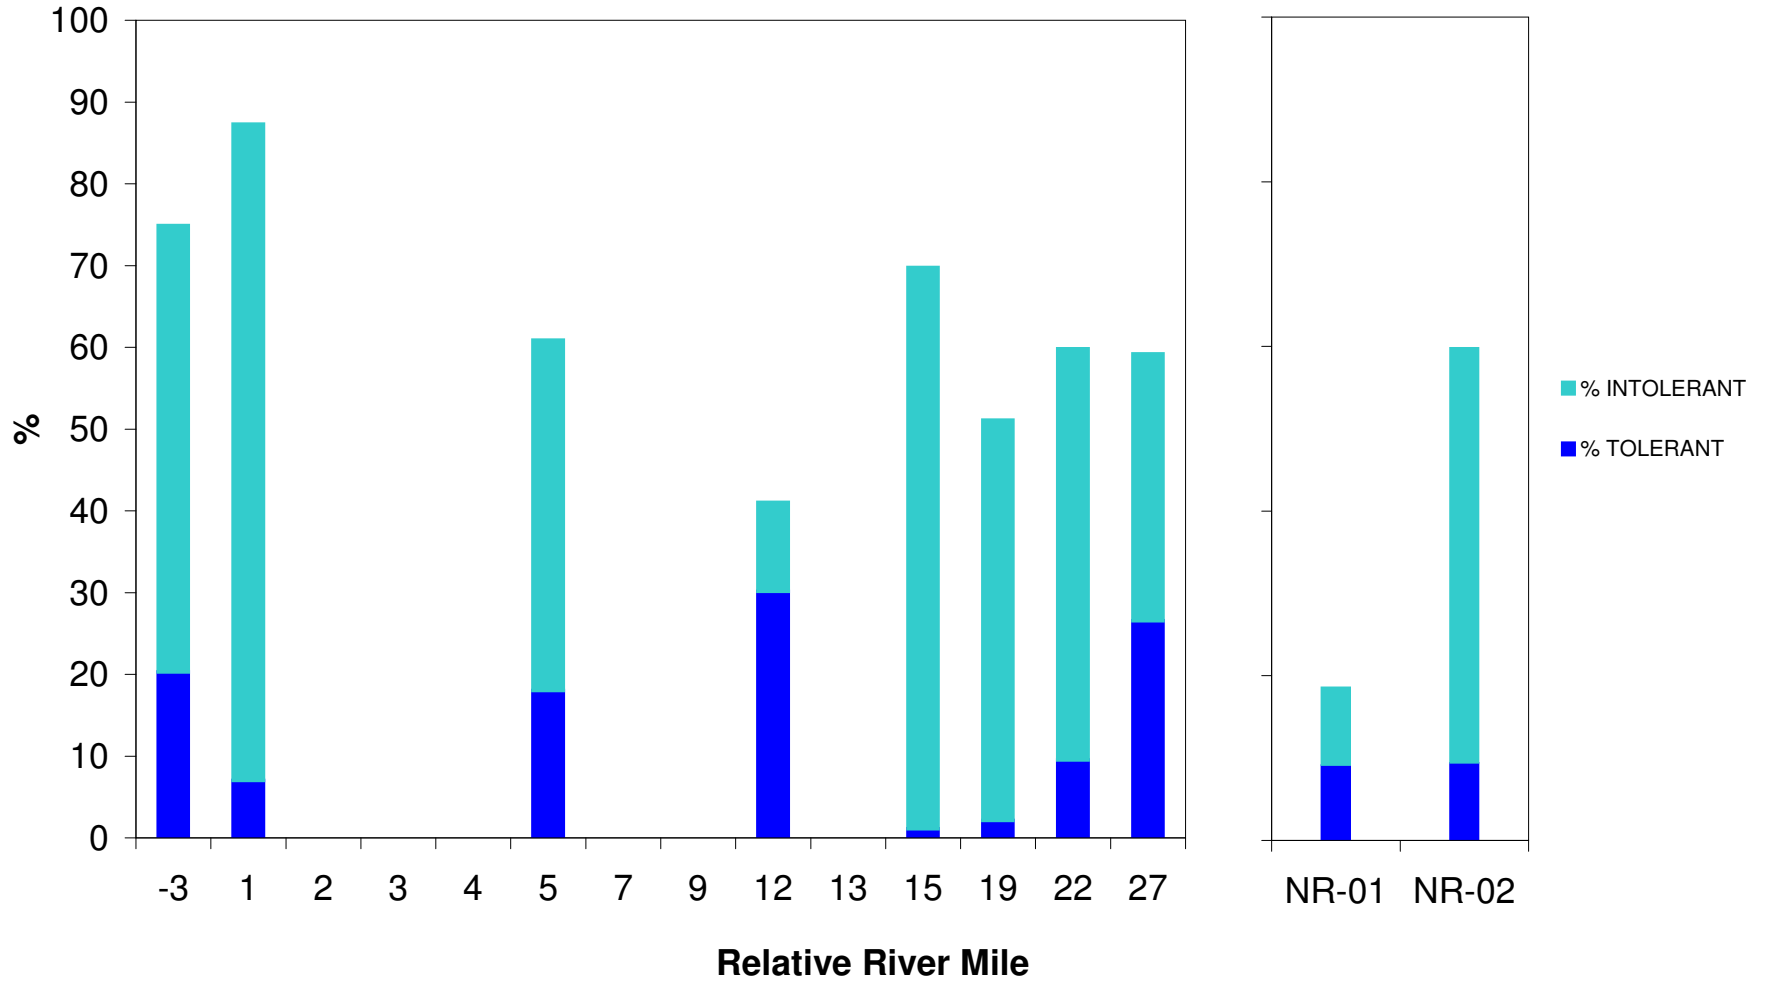

Percent Cottidae, Catostomidae, Centrarchidae, Cyprinidae Families
Phase I System Characterization
Ecological Study

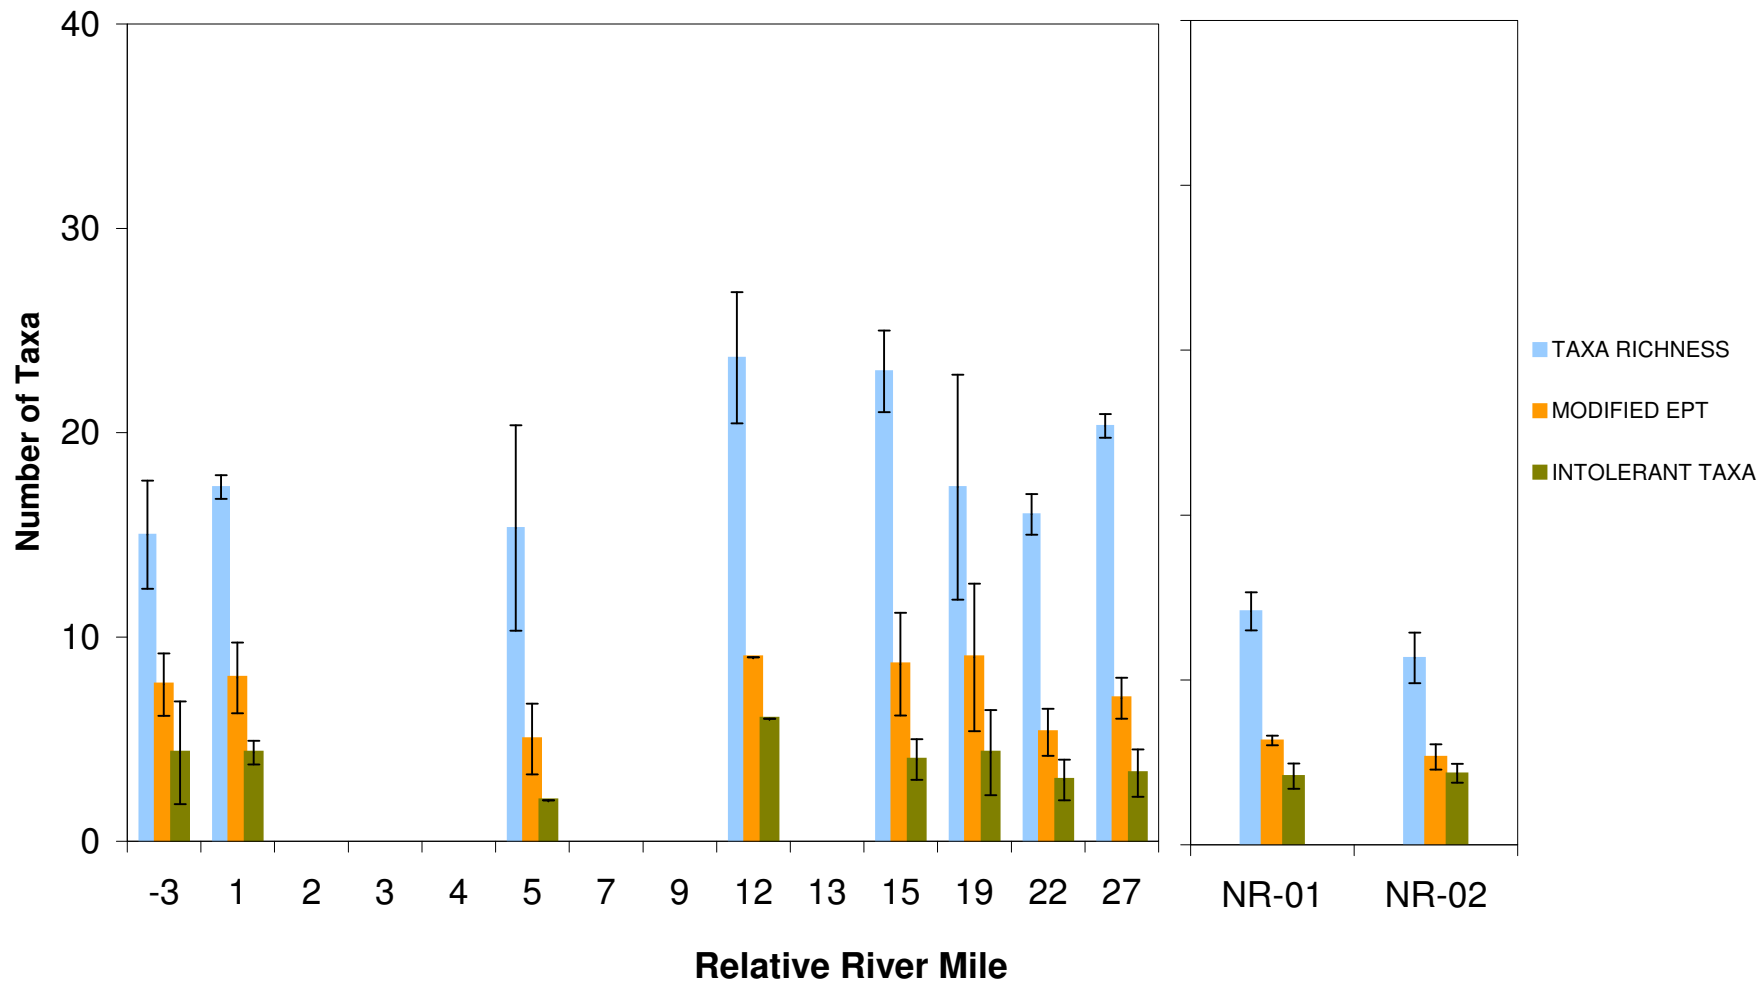

Percent Functional Feeding Groups in the Fish Community
Phase I System Characterization
Ecological Study

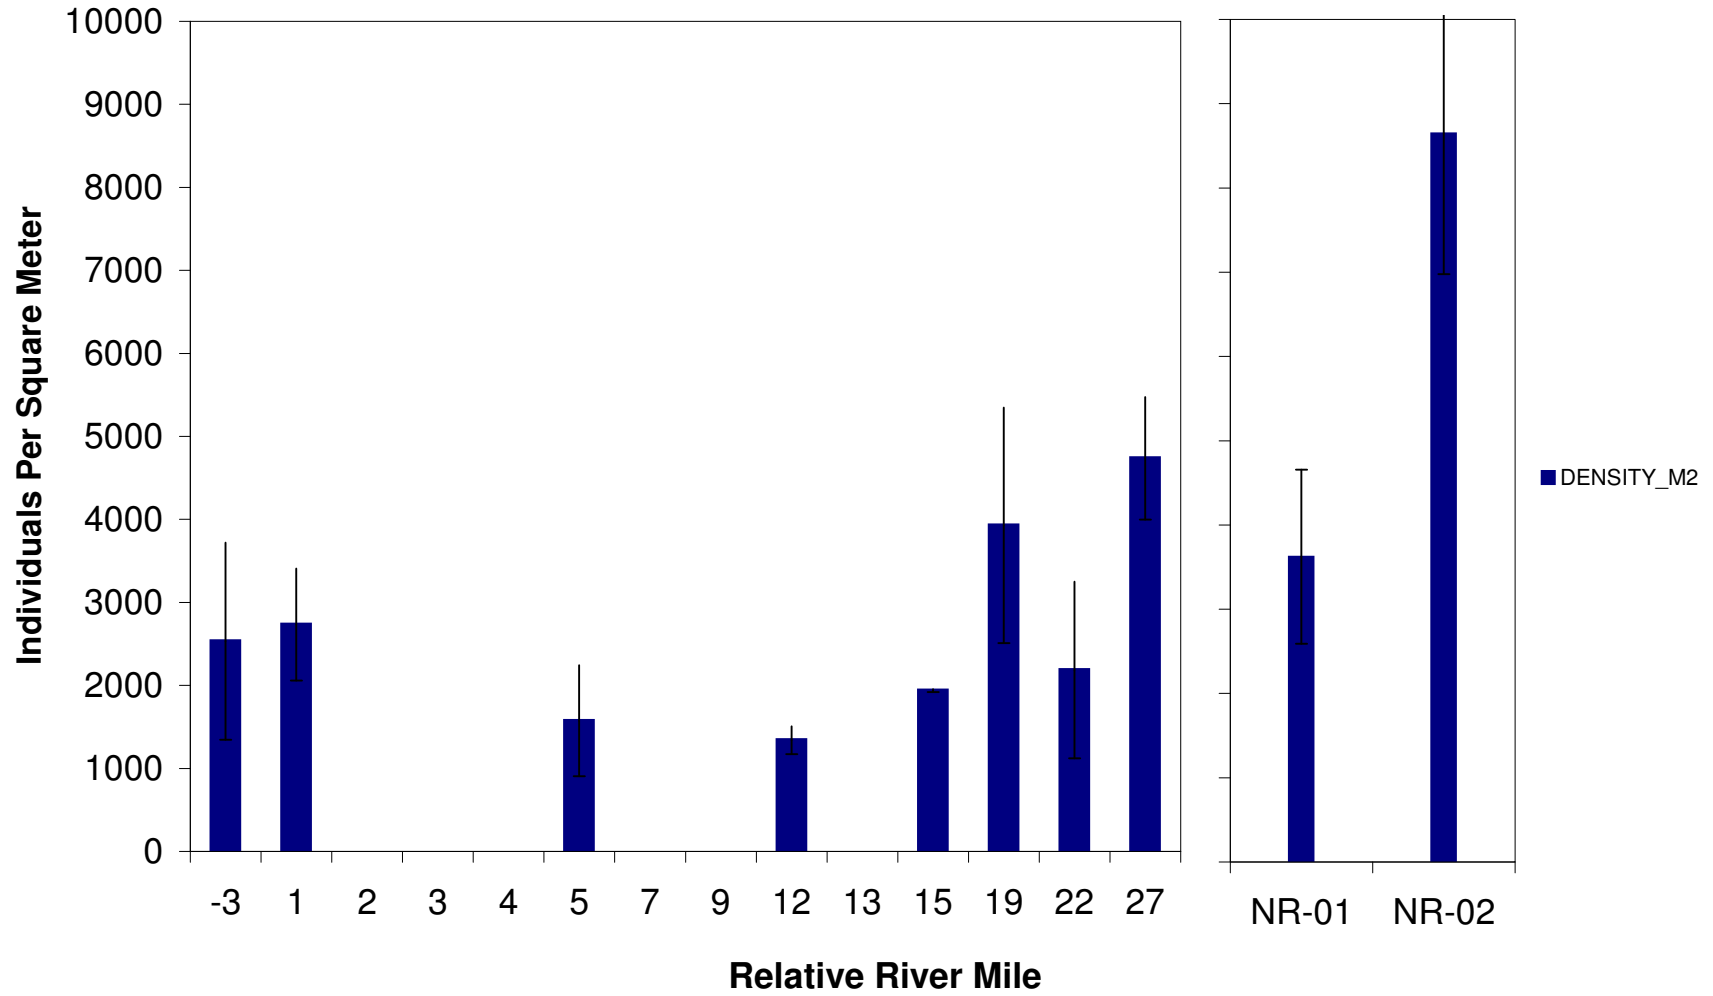

Percent Tolerant Species vs Percent Intolerant Species
Phase I System Characterization
Ecological Study

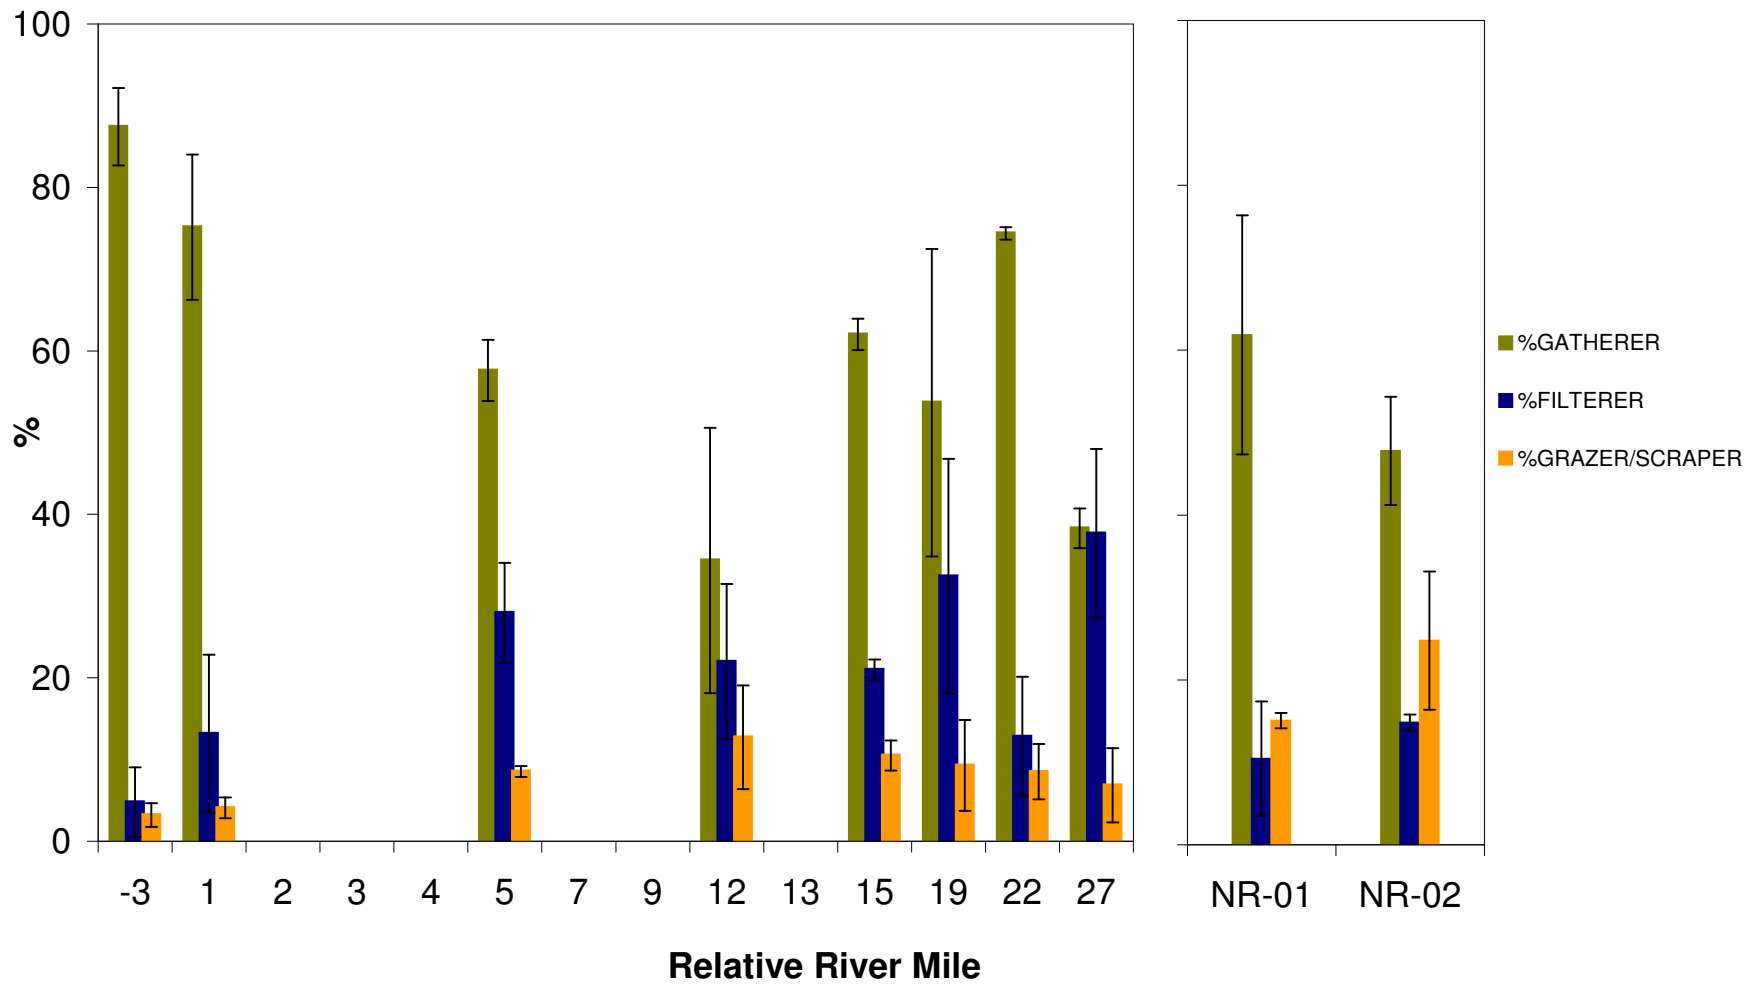

Benthic Invertebrate Richness Metrics
Phase I System Characterization
Ecological Study

Benthic Invertebrate Density
Phase I System Characterization
Ecological Study

Percent Composition of Benthic Invertebrate Trophic Feeding Groups
Phase I System Characterization
Ecological Study

Percent Dominant Species, EPT, Tolerant Species
Phase I System Characterization
Ecological Study
